

OAK INDOSSATI

The white stain on this light smoked, single-strip floor from the Da Capo Collection highlights its rustic expression. The naturally occurring knots and cracks add to the quality of the surface, giving the floor a worn appearance reminiscent of reclaimed timber. Each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Two-sided bevelling ensures a classic, full plank look and feel. Every board is meticulously hand-scraped, which emphasises the aged complexion of the floor.
